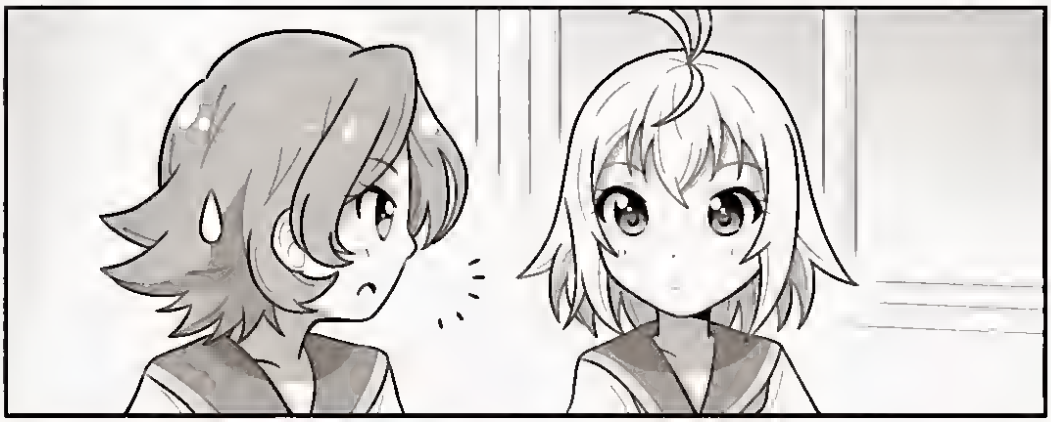
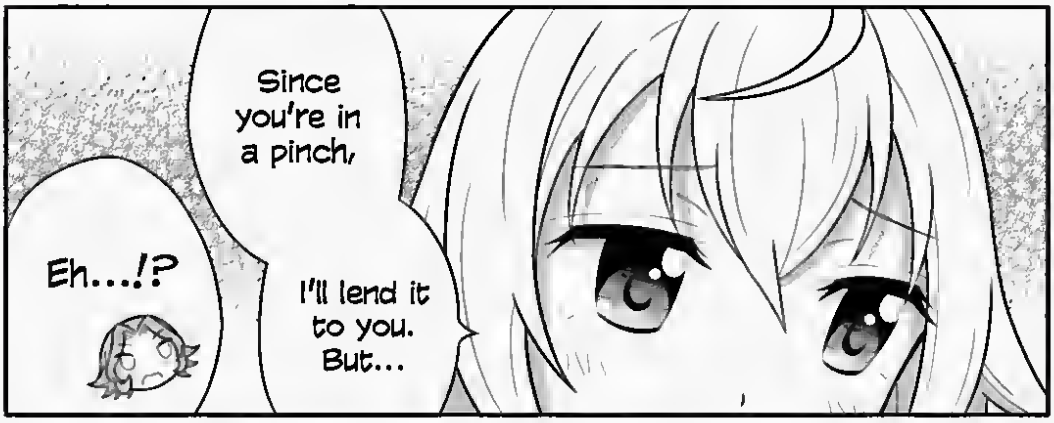
Negative Thinking

You forgot your homework!?
That's it, you're expelled!!
We don't need students like you!!!
You're under arrest for forgetting your homework!
ガチャン!
You get the death penalty!!!
A DRAGON has shown up!!
WAAAHHHH!!
This is surely the fault of the girl who forgot her homework!!!
It's all my fault, I'm sorry ...!!
You're way too negative!!
How's any of that supposed to happen?

Interference



I'll Lend It to You, But



Being Bad Isn't so Wrong
